LUX AETERNA / 2020

Sabrina Aureli is a multidisciplinary visual artist. Born in Rome she has been passionate about art and music since she was a child. At the age of 10 she began to follow an oil painting course given by a master of religious frescoes, obtaining an award as a young artist of Rome.

She studied at the *Cogno Associati Communication Study Center* graduating with her Master's degree of Science in visual communications (graphic design, art direction and multimedia). She has been working in advertising agencies for famous brands and design studios, fashion and non-profit communication as an art director freelance for many years, specializing in graphic design, typography, publishing as well as vector illustration, photo manipulation and retouching and video. She as well as cooperating also with writers, directors, composers, illustrators and photographers, creative teams, designers, developers and studios. Her pictorial path is expressed in a very personal way remaining closely linked to the world of dreams.
